

Team Leadership QQI Level 6

The aim of the programme is to equip the learner with the relevant knowledge, skills and competence to work as an effective leader and member of a team, independently and/or in a supervisory capacity.

Throughout this course you will learn to:

- Evaluate the concepts of leadership and management, different leadership and management styles and the principle theories that underpin these
- Participate in organisational planning and in teamwork planning to include SMART objectives
- Distinguish between organisational strategy, objectives and goals
- Lead progress on a work plan, to include taking corrective action to ensure completion
